Halloween Trip

Simple Jack

Fur Hat
Green Mink Coat
Got my Dashiki on and I'm ready to go
So I grabbed you
And took our drops
In 45 minutes we'll be on top
Where did I leave my smokes
Hey you, how do you glow
These trails, delighting me
I think I just met GumbyI am Trippen out
On, Halloween
Lets all lose our minds
This HalloweenNext thing
That I know
Megans throwing up, its time to go
How do
You use a phone
Im so confused, don't leave me alone
Get me
To a state of bliss
A naughty nurse just gave me a kiss
Help me
I cant escape
The threads that Im wearing are eating meChorus 2x
