I Want My Innocence Back (Spoken)

Emilie Autumn

I want my innocence back

And if you can't give it to me

I will cut you down

And I will run you through

With the dagger you sharpened

On my body and soul

Before you slit me in two

And then devoured me wholeI want my innocence back

I want my innocence backI want my innocence back

And if you can't pacify me

I will break your bones

You think I'm bluffing just try me

I will never forget

The words you used to ensnare me

Till my dying day

You'll suffer for this I swearI want my innocence back

I want my innocence backAnd I demand

You put my heart back in my hand

And wipe it clean

From the mess you made of me

And I require

You make me free from this desire

And when you leave, I'd better be the innocent

I used to be want my innocence back

I want my innocence back

I want my innocence back I want my innocence back
