Albinoni Vs Star Wars (Parts

Sigue Sigue Sputnik

Shake your body to the beat
Now come on baby 'n' feel the heat
My love machine ain't shootin' blanks
I'm just a sucker
For your teenage anguish
Chorus:
The Ayatollah's got the blues
Star wars on an acid cruise
A supersonic super groove
Albinoni's blown a fuse
Let's dance
With digital technology
An IBM for company
Disco trash and D.A.T.
Here comes another robbery
Chorus
It's revolution No. 10
Here comes thje stun guitar again
So watch out baby Zeppelin
Cos I'm the classic hooligan
Well Mozart said he stole the lot
And Verdi said he wrote a flop
Yeah, T. Rex and a drum machine
That's all
I need to smash that scene
Let's dance, let's dance
Let's dance
Let's dance (to end)
