Take You on a Cruise

Interpol

I'm timeless like a broken watch
And make money like Fred Astaire
I see that you've come to resist me
I'm a pit bull in time
Your pretense is not what restricts me
It's the circles insideThe anatomy of kisses and a teacher who tries
Who knows how we'll disappear
Would like to be my misses
And in future with child?
You know that we can't get back from here
But we can get awayBaby, don't you try to find me
Baby, won't you try to fight
Lady, don't you try to find me
Baby, it will be all rightAlong the way
Tears drown in the wake of delight
There's nothing like this built today
You'll never see a finer ship in your life
We sail today
Tears drown in the wake of delight
There's nothing like this built today
You'll never see a finer ship
Or receive a better tip in your lifeI am the scavenger
Between the sheets of union
Lately I can't tell for sure
Whether machines turn anyone
I am the scavenger
Between the sheets of union
Lately I can't tell for sure
If the machines turn anyoneLady, don't you try to find me
Lady, there is no need to fight
Lady, don't you try to find me
Baby, it will be all rightWe sail today
Tears will drown in the wake of delight
There's nothing like this built today
You'll never see a finer ship in your life
Along the way
The sea will crowd us with lovers at night
There's nothing like this built today
You'll never see a finer ship

Or receive a better tip in your lifeI see that you've come to resist me
I'm a pit bull in timeWhite Goddess, red Goddess
Black temptress of the sea, you treat me right
Black Goddess, red Goddess
White temptress of the sea, you treat me right
White Goddess, red Goddess
Oh my love we are sailing to Norway
Black temptress of the sea, you treat me right
Oh my love we're leaving tonight
Black Goddess, red Goddess
Oh my love we are sailing to Norway
White temptress of the sea, you treat me right
Oh my love we're leaving tonight
