

# Everything Comes from You

## Big Blue Ball

One, two, three, four  
Five blue  
Six indigo I'm your daughter  
Your mother is my mother  
And my voice is raised  
Giving you thanks and praise  
I appeal to you Lord  
To stop war  
Stop terror  
Stop war...  
Everything comes from you  
Everything goes to you too  
Everything comes from you  
Everything goes to you too  
Everything comes from you  
Everything goes to you too  
Everything comes from you  
Everything goes to you too  
Giving you thanks and praise  
Giving you thanks and praise  
Giving you thanks and praise.
