One Way Rider (feat. June Carter Cash)

Johnny Cash & June Carter Cash

Ow, you're off and runnin'
Run just like you're scared
Run just like a grey dog
Run just like a deerSomething in the bushes
Starin' out at you
Starin' at your feelings
Feelin' like you doOne way rider
One way down the road
Baby, I'm right beside you
Everywhere you go
Lovers save your secrets trust not into fools
Don't go look for trouble it will come to you
Like some long lost passage fly in broken lines
Here in the fleeting moment really gone this timeOne way rider
One way down the road
Baby, I'm right beside you
Everywhere you goOnce upon a victim circumstance is due
Tend to take a hold on everything you do
First we follow leaders
Next we follow fools now we follow
Footsteps sneakin' upon youOne way rider
One way down the road
Baby I'm right beside you
Everywhere you go
One way rider
One way down the road
Baby, I'm right beside you
Everywhere you goSunday drivers only way to go
Baby, I'm right beside you
Everywhere you go
