Time To Move On

Tom Petty

It's time to move on, time to get going
What lies ahead, I have no way of knowing
But under my feet, baby, grass is growing
It's time to move on, it's time to get goingBroken skyline, movin' through the airport
She's an honest defector
Conscientious objector
Now her own protectorBroken skyline, which way to love land
Which way to something better
Which way to forgiveness
Which way do I goIt's time to move on, time to get going
What lies ahead, I have no way of knowing
But under my feet, baby, grass is growing
It's time to move on, it's time to get goingSometime later, getting the words wrong
Wasting the meaning and losing the rhyme
Nauseous adrenalin
Like breakin' up a dogfight
Like a deer in the headlights
Frozen in real time
I'm losing my mindIt's time to move on, time to get going
What lies ahead, I have no way of knowing
But under my feet, baby, grass is growing
It's time to move on, it's time to get going
