

# Someday Soon (Live In Pittsburgh, May 2, 1970)

## The Doors

Someday soon, someday soon  
Familiar freaks will fill your living room  
Rugs lash out their lizard tongues  
You're not getting young, you're not getting young But you're going to die  
And you're going to be needing all of your eyes You'll be all alone  
When the animals cry  
All by yourself  
In some fancys lie Someday soon, someday soon  
Television bleeding like a harvest moon  
Flush the scissors down the hole  
You're getting old, you're getting old And I hate to remind you but you're going to die  
And you're going to be needing all of your lies You'll be all alone  
When the animals cry  
All by yourself  
In some infancy's lie Someday soon  
Someday soon  
Someday soon  
Someday soon
