

Your Love Is Ooh

Brian Mcknight

Ooh baby
Your love is ooh
Your love is ooh baby Contemplate, as we lay
Caught up in your web of pleasure
Let me get my thoughts together
Concentrate, stimulate
Ecstasy cannot be measured
I finally found my treasure When I think about the love we make
I can't find the words to say
Your love is ooh, your love is ooh baby
When I think about the love we make
I run out of breath and I start to shake
Your love is ooh, your love is ooh baby Take the sun, take the moon, all I ever need is you
You make my dreams come true
Through the storm, nice and warm
Girl you know just what to do, you know just what to do I'm just an ordinary man, I don't understand
Why the way that I feel gets so hard
For me to explain, am I dreaming When I think about the love we make
I can't find the words to say
Your love is ooh, your love is ooh baby
When I think about the love we make
I run out of breath and I start to shake
Your love is ooh, your love is ooh baby And my heart is beating
Sore from being loved so beyond my needs
All I know is I want the world to know
Your love is ooh, your love is ooh, your love is ooh
Your love is ooh baby Baby, early in the morning
Your love is ooh, in the evening yeah
Late in the midnight hour
Your love is ooh
