Eiszeit

Terminal Choice

a little child is sitting down
by the riverside
everywhere is ice
and the little child cried
with frozen feet and hand so cold
shivering inside
everything lays on the ice
and it?s hard to breeze tonightund das Wasser wird zu Eis
ein kleines Leben geht vorbei
und der schwarze Himmel weint
Eiszeit
die Klte legt sich bers Land
und die letzte Hoffnung stirbt
eine neue Zeit fngt an
Eiszeitthis is nature's revenge
many kind will die
we took everything we get
and destroyed the earth
the sun won?t shining anymore
just the hail moon in the sky
eternal frozen breath
as roads of ice
