

Don't Wanna Let You Go

Five

Don't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do?
You've said all you have to
We're coming after you
So don't make a sound
(Don't wanna let you go)I got this feelin'
Could it be there's someone watching over me
Tell me who you are?
I close my eyes and count from nine
To try and find some peace of mind
But it's gone too farYou see our faces every time you turn your head around
We'll be watching even when you turn the lights down
We will always be around
No matter, where you areDon't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do?
You've said all you have to
We're coming after you
So don't make a sound
(Don't wanna let you go)I'm all alone now in the dark
Just one chance so we can talk
That is all I ask
I close my eyes and then I dream
I always wake up to a scream
Wonder where you are?Don't you know we're always gonna be around you?
And there really isn't anything you can do
We will always be around
No matter where you areDon't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do?
You've said all you have to
We're coming after you

So don't make a sound
(Don't wanna let you go)(Don't wanna)Yea yea
C'mon
Yeah
Ahh ahh
Yea yea

C'monDon't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do?
You've said all you have to
We're coming after you
So don't make a soundDon't wanna let you go
We just wanna tell you
Just wanna let you know
That we'll stay around
So what else can you do?
You've said all you have to
We're coming after you
So don't make a sound
(Don't wanna let you go)
