Cigam Kcalb

Dark Lotus

[Reverse Messages:]Wizards, Witchdoctors, Sorcerers, Black Magic!
God bless Mike E Clark, ICP, Twiztid, and most of all, all you juggalos and everyone at Psychopathic Records, and even you!
The sixth jokers card will be followed, followed by the end of time itself! It will consume us all!
[Verse 1:]Hooragoon
Feed the rats
Hooracool
Scare the cats
Meckle heckle, lucifer,
Heckle meckle, crucifer,
Meditate
Body weight
Humiliate
Castrate,
Contemplate
Hate
Decapitate
Segregate,
Poison
Venom
Vixen
Pleasure
Vortex
Vomit
Vulture
Treasure
Hex of fire
Hex of pain
Hex of losses
Hell will gain,
Blood of children
Blood of pig
Dig solomon dig dig
Dig your grave
Be my slave
Alot of wicked spirits rave
[Chorus:]
Blackest magic, leave my soul, give my angels all control
Blackest magic, let me be, keep your black tounge off of me

Blackest magic, drop your chain, may you never speak my name
Blackest magic, watch you cower, bite your tongue and holy power
Why? why? when people witness magic, they'll ignore it and say it never happened
Only thing they'll beleive is whats tragic, god throws it nobody wanna catch it...
[Verse 2:]I go east, you go west, and the moon follows both of us, (it's magic, magic)
Pyramids, circle crops, hunded tonne stone hedge crops, (it's magic, magic)
Volcanic lava, earthquakes, weather causes aches, (its magic, magic)
Music love, the unseen drug, fucking lightning bugs, (it's magic, magic)
Hypnosis, ESP, mental telepathy, (it's magic, magic)
Amityville, northern lights, blood red moon lit nights, (it's magic, magic)
Rings of saturn, the black hole, mind over body controll, (it's magic, magic)
Exorcisms, Mary's crying, unknown objects flying (it's magic, magic)
[Chorus][Verse 3:]Frozen fire
Call me down
Frozen fire
Show me around,
Candle wax drip like tears
Roll over one thousand years
Monkey blood
Sweet and hot
Take me to my spot, kay
Wait, devil has my tounge,
Heaven's bells have now rung
[Reverse Message][Verse 4:]Blood of children
Blood of pig
Dig solomon dig dig
Dig your grave
Be my slave
Let the holy spirits rave
[Chorus][Reverse Message][Chorus Repeats Until Song Ends]
