Let It Go

Maysa

I think I better
I think I better let it go
I think I better let it goI've given everything to you
Gonna give
It's time to start anew
Time for me to liveI've wasted countless years
On tons of foolish fears
And I'm no use to me
Or you if I don't let it goThink I better let it go
Time for me to make a move
Think I better let it go
Time for me to break the rulesI think I better
I think I better let it go
I think I better
I think I better let it goSurely you understand
Just what I'm feeling
You said yourself before
It's time for you to get moreI'm on my way to somewhere
I don't know and I don't care
I just can't wait to get thereThink I better let it go
Time for me to make a move
Think I better let it go
Time for me to break the rulesI think I better
I think I better let it go
I think I better
I think I better let it goLife, life is so crazy
You miss out on all you've
Been waiting for
Find that there's so much moreTrue love and just making it
Instead of wasting time
I'm gonna get mineI, I think, I think I better
I think I better let it go
I, I think, I think I better
I think I better let it goTime for make a change
Think I better let it go
Time for me to break the rulesI've wasted countless years
On tons of foolish fears
And I'm no use to me
Or you if I don't let it goThink I better let it go

Time for me to make a moveI, I think, I think I better
I think I better let it go
I, I think, I think I better
I think I better let it goTime for me to make a move
Think I better let it go
Time for me to break the rulesI've given everything to you
Everything I had to give
It's time for me to start anew
Time for me to liveI gotta let it go, I gotta make my move
It's time for me to break the rules
You said it yourself, you gotta give yours
Well, I gotta give mine
And I ain't wasting no more time
