

# Ring Ring

MIKA

I was sittin' on the fence  
And I thought that I would kiss you  
I never thought I would have missed you  
But you never let me fall Push my back against the wall  
Every time you call, you get so emotional  
I'm freaking out Ring ring, is that you on the phone?  
You think you're clever  
But you never saying nothing at all Hey hey, the way you spin me around  
You make me dizzy  
When you play me like a kid with a crown You got a dangerous obsession  
Now I'm in need of some protection  
That was never my intention  
Used to love me, now you hate me Say I drove you crazy  
Well, if I did, you made me  
Won't somebody save me from you now? Ring ring, is that you on the phone?  
You think you're clever  
But you never saying nothing at all Hey hey, the way you spin me around  
You make me dizzy  
When you play me like a kid with a crown Each word I wanted  
Until you blasted  
Why won't you leave me alone?  
Hang up the phone, just let me go Ring ring, is that you on the phone?  
You think you're clever  
But you never saying nothing at all Hey hey, the way you spin me around  
You make me dizzy  
When you play me like a kid with a crown Ring ring, is that you on the phone?  
You think you're clever  
But you never saying nothing at all Hey hey, the way you spin me around  
You make me dizzy  
When you play me like a kid with a crown Ring ring  
Ring ring  
Ring ring
