

# Dance With Me

## Christina Lindberg

When the heat of light melts  
    Into the speeding time  
    When the king returns  
    From the ivory city side  
    Let the magnet images  
Wave the signals, flashing, oh, so fast  
    Then you'll meet me there  
    Under the moonshine  
    In a lover's heaven  
We'll keep our promises at last  
    In a lover's heaven  
    We'll forget the past  
Do you want to dance with me  
Through one of those lonely nights?  
    It's more than a dream  
Maybe we're reaching the gardens of delight  
    Do you want to dance with me  
    Through one of those lonely nights?  
    It's more than a dream  
Maybe we're drowning in empires of delight  
    In the stardust dawn  
    Underneath the crystal roofs  
Where the solar boys are playing games  
    And they never lose  
Where the sailors are swaying  
    Through the light domes  
    Shining from the skies  
There you'll meet me, darling, anyway  
    In a lover's heaven  
    We'll keep our promises at last  
    In a lover's heaven  
    We'll forget the past  
    Do you want to dance with me  
    Through one of those lonely nights?  
    It's more than a dream  
Maybe we're reaching the gardens of delight  
    Do you want to dance with me  
    Through one of those lonely nights?  
    It's more than a dream

Maybe we're drowning in empires of delight  
In a lover's heaven  
We'll keep our promises at last  
In a lover's heaven  
We'll forget the past  
Do you want to dance with me  
Through one of those lonely nights?  
It's more than a dream  
Maybe we're reaching the gardens of delight  
Do you want to dance with me  
Through one of those lonely nights?  
It's more than a dream  
Maybe we're drowning in empires of delight  
Do you want to dance with me  
Through one of those lonely nights?  
It's more than a dream  
Maybe we're drowning in empires of delight  
Do you want to dance with me  
Through one of those lonely nights?
