

# **Lie to my face (BREAKDOWN SHOW)**

## **Carnifex**

The scars on my arms remind me  
How I got this way  
I can taste the stain of your sickness on my lips  
Of all the stupid things I did  
I fell for thisI'll ask again like you never knew  
Lie to me  
What the Fuck!  
Just lie to me  
"Were gonna make it through"  
I'm well past wanting the truthJust lie to me  
"I'll always love you"Lie to my face
