

# Independence Day (bend it like beckham o.s.t.)

Melanie C

I know I make mistakes, I will have to live and learn  
Sometimes you play with fire and sometimes you get burned  
I have my dream to live, following that star  
It doesn't matter how long it takes, it doesn't matter how far  
No time for make believing, and it's too late to turn  
back now  
Yeah yeah yeah! I've been dreaming about it  
I can't live without it  
I've got to find my own way  
I'm not changing my mind now  
Or looking behind now  
This is my Independence Day  
My Independence Day I know it'll take some time, but I won't give up the fight  
Sometimes you win, sometimes you lose, but that's alright, oh yeah  
I've got to spread my wings and learn how to fly  
'Cause this feeling drives me on, it's something I cannot deny  
No time to make excuses, 'cause it's too late to  
turn back now  
Yeah yeah yeah! I've been dreaming about it  
I can't live without it  
I've got to find my own way  
I'm not changing my mind now  
Or looking behind now  
This is my Independence Day  
My Independence Day Heyyyyeyyyy, my Independence Day Ohh uhh  
No matter what comes my way, I'm gonna  
live for today  
This is my, this is my Independence Day  
Independence Day I've been dreaming about it  
I can't live without it  
I've got to find my own way  
I'm not changing my mind now  
Or looking behind now  
This is my Independence  
I've been dreaming about it  
I can't live without it  
I've got to find my own way  
I'm not changing my mind now  
Or looking behind now  
This is my Independence Day  
My Independence Day Independence Day Daaayyyyaaaay, my Independence Day  
Independence Day Wishing on  
that same bright star, I shouldn't wish my life away  
Wish my life away

They say it's a small small world  
They say it's a small small small worldIndependence Day  
Independence Day
