21st Century Digital Girl (Extended Version)

Groove Coverage

I got brest implants,
payed by my boyfriends,
I got a botox injection,
Under my skin,
I only play with sex,
But I don't let it in X2I got fake nails,
Don't answer e-mails,
I am a sillicon valley,
walking on two legs,
What the price of the world?
I can write a check!!!*CHORUS*
Coz I'm a 21st century digital girl,
I dunno how to love,
But I live in this world,
My daddy is a workaholic millionaire,
My mum is on drugs,
But I don't really care!
Yea Yea Yea Yea Yea!I got a pussycat! !MIOAW!
Right in my Gucci bag,
I've got a first class ticket,
Now everythings permitted.
Cause I can have it all!!*CHORUS*21st Century Digital Girl,
21st Century Digital Girl,
21st Century Digital Girl,
21st Century
DIGITAL GIRL!
