

We Give You Praise

Delirious?

When the road is rough and steep and it leads a heart to weep

There's an ocean of tears that You've held through the years

But we're not stopping hereOn this long and winding street will You guide these weary feet?

Every step that we take with our hearts full of faith

And we're not stopping hereTogether we are stronger so put Your hand in mineWe give You praise, we give
You praise

And the King of all the earth has saved us from ourselves

We give You praise, we give You praiseThrough the avenues of time here You meet me where I am
We walk with glory and pain and You've broken the chains

So there's no stopping hereTogether we are stronger so put Your hand in mineWe give You praise, we give You
praise

And the King of all the earth has saved us from ourselves

We give You praise, we give You praiseYes, we give You praise, we give You praise
And the King of all the earth has saved us from ourselves

We give You praise, we give You praiseGlory, we sing glory, we sing glory
In the darkness where You shine

Let it shine, let it shineWe give You praise, yes, we give You praise

And the King of all the earth has saved us from ourselves

We give You praise, we give You praiseI love You Lord

We give You praise, praise, praise

We give You praise, praise, praise
