So Sorry

Unkle Bob

No, I'm never in love (x3)
Where the grass is green
Where the children scream out loudBut when I look into your eyes
Oh when I look into your eyesI'm so sorry that it don't feel better
I'm so sorry (x2)
Oh when I look into your eyesI would give you my everything
I would give you my everythingThat's what she told me
That's what she saidIt's the future that owns me
That's what she saidOh when I look into your eyes (x2)I'm so sorry that it don't feel better
I'm so sorry (x2)
Oh when I look into your eyesI will give you my everything every night
I will give you my everything every timeIf I get anything from anyone
Will it be you? (x2)I've got a Message for you
A message for you (x7)
