Neil Sedaka

Advisory - the following lyrics contain explicit language:

It could've been me but it was you
Who went and bit off a little bit more than he could chew
You said that you had it made, but you been had
The woman no good, no how, thinkin' maybe the blood is badBad blood
(Bad blood)
The woman was born to lie
Makes promises she can't keep
With the wink on an eyeBad blood
(Bad blood)
Brother, you've been deceived
It's bound to change you mind
About all you believeFrom where I stand, it looks mighty strange
How you let a woman like that treat you like small change
I don't understand what you're lookin' to find
The only thing bad blood do is mess up a good man's mindHear me talkin' nowBad blood
(Bad blood)
The bitch is in her smile
The lie is on her lips
Such an evil childBad blood
(Bad blood)
Is takin' you for a ride
The only thing good about bad blood
Is lettin' it slideDoo-ron, doo-ron, di di, dit, dit, ron-ron
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Bad blood, talkin' 'bout bad bloodDoo-ron, doo-ron, di di, dit, dit, ron-ron
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Bad bloodHere we go
Bad blood
(Bad blood)
The bitch is in her smile

The lie is on her lips
Such an evil childBad blood
(Bad blood)
Is takin' you for a ride
The only thing good about bad blood
Is lettin' it slide
The only thing good about bad blood
Is lettin' it slide
