

# Blown

## Darnell Williams

This high ain't meant for everybody, it's insane  
Insane, I'm blown out my brain You gon' have a hard time trying to stop me, I'm fucking cocky  
The word "probably" is not in my vocabulary  
Neither is "sorry" so pussy niggas better worry  
Not a killer but you try me and I'll see the jury  
You fucking bore me, these rap niggas so annoying  
If you repping all day when you selling dope then  
Another fraud ass studio fucking dope man  
Who be spitting bout the trap but don't never go there  
I know a couple niggas bout it, man that shit is so rare  
You drop a mixtape every summer, niggas still don't care, man This high ain't meant for everybody, it's insane  
Insane, I'm blown out my brain  
Blown out my brain  
I'm blown out my brain  
Blown out my brain  
I'm blown out my brain The nicotine to addiction in the hood like an engine  
Addy's with no prescription  
Wipe my ass with opinions  
Despicable as a minion  
Pulling MILFs at pavilions as old as Kimora Simmons  
And thick as the plot is getting  
The black Jeremy Piven, attitude is malicious  
Run in your office tripping, entourage full of niggas  
Dressed to handle the business  
Suggest you do it with quickness  
Or niggas get to ringing your bell like Jehovah witnesses This high ain't meant for everybody, it's insane  
Insane, I'm blown out my brain  
Blown out my brain  
I'm blown out my brain  
Blown out my brain  
I'm blown out my brain I'm so damn tired of Ubers in LA  
You schooled me in a Prius, bring bitches and champagne  
I made it out the hood but nigga ain't shit changed  
Still hit up Mr. Chows asking for hot wings  
Floorseats to the game but high as a nosebleed  
Shorty ass on my lap as heavy as grocery  
I fuck and go to sleep, that pussy is codeine  
Had a threesome with her sister, I can't even  
I ball on you niggas swear this shit'll never end

I be fucking up a chicken like a white girlfriend  
I be fucking up a chicken like a white girlfriend  
Fucking up a chicken like a white girlfriend This high ain't meant for everybody, it's insane  
Insane, I'm blown out my brain Blown out my brain  
I'm blown out my brain  
Blown out my brain  
I'm blown out my brain
