

# One for My Baby

Johnny Mercer

It's quarter to three  
There's no one in the place  
Except you and meSo set 'em up Joe  
I got a little story  
I think you should knowWe're drinking my friend  
To the end  
Of a brief episodeMake it one for my baby  
And one more for the roadI got the routine  
Put another nickel  
In the machineFeelin' so bad  
Won't you make the music  
Easy and sadI could tell you a lot  
But it's not  
In a gentleman's codeJust make it one for my baby  
And one more for the roadYou'd never know it  
But buddy I'm a kind of poet  
And I've got a lot of things  
I'd like to sayAnd when I'm gloomy  
Won't you listen to me  
Till it's talked awayWell, that's how it goes  
And Joe I know your gettin'  
Anxious to closeAnd thanks for the cheer  
I hope you didn't mind  
My bending your earBut this torch that I found  
It's gotta be drowned  
Or it's soon might explodeMake it one for my baby  
And one more for the roadThe long, it's so long  
The long and winding road
