

# Long to Go

## From Autumn to Ashes

Believe it or not  
The notes are trying to talk to me  
I've got to applaud such valiant efforts  
It's not always the party that it seems to be  
It can be a complete debacle  
This is not the most routine  
Nine to five you see  
There's some occupational hazards  
Perhaps you'll try to save my spot?  
Just until the album drops  
Then I'll be at the Capri shop  
Adjacent to the Graham L stop  
Believe it or not, we're not the ideal guys to date  
I guess I'm a risky decision  
But you did not write me off, you knew that I could change  
I'm studying my guide to safety  
Perhaps you'll try to save my spot?  
Just until the album drops  
Then I'll be at the Capri shop  
Adjacent to the Graham L stop  
It's so hard to tell  
It's so hard to tell  
Or am I singing from obligation  
When all I want is to feel my heart rate  
Accelerate and we accelerate  
Perhaps you'll try to save my spot?  
Just until the album drops  
Then I'll be at the Capri shop  
Adjacent to the Graham L stop
