

My Heart Says Yes

Troy Sneed

My heart says yes
Jesus I Love You
Jesus I Love You
Oh My
And you are welcome in, your welcome in this Place
I'm lost without you
Can't do nothing without you oh no
and you are welcome in,your welcome in this place
My heart says yes (to your will)
My heart says yes (to your ways)
and you are welcome in,your welcome in this place
ooohh wooo ooo oh my oh my
and you are welcome in,your welcome in this place
My heart says yes(can't live without you)
My heart says yes(can't do nothing,can't do nothing without you
you are welcome in
your welcome in this place
My heart says yes(lord I'm yearning for you)
My heart says yes(lord I need you)
and you are welcome in,your welcome in this place
