Asleep At The Wheel

Transit

Bloodhounds shall cruise rendezvous
Break curfew new trip ensues
You never know Bloodhounds just go
Pack backpack up for down the road
No change of clothes but change for tolls
Pack of No-Doz Rolos and Skoal
Old Milwaukee Jolt black coffee
Sugar Daddy Rand McNally
A pack of jacks those orange Tic-Tacs
Glen Miller tracks roll of Kodak
The phantom black stacked Pontiac
Hot rod dual quads and in the back
Is the beat keeper big ass speaker
Jumbo woofer rattle tweeter
Dial is turned and there it's stayin'
The next day where stern is playin'
You got your Jesus on the dashboard
But the Devil's under my hood
You're takin' it down legal, I'm pullin' it up to no good
God is your copilot, I let Satan ride shotgun
You pay a toll to get to Heaven
But on the road to Hell there's none
You got your Jesus on the dashboard
But the Devil's under my hood
You're takin' it down legal, I'm pullin' it up to no good
God is your copilot, I let Satan ride shotgun
You pay a toll to get to Heaven
but on the road to Hell there's none
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
I-95 five eight lanes wide, midnight drive take a ride
Alongside east coast tide, gettin' high, so am I
Bloodshot red eyes from the fumes

I consume engine zoom then engine boom
Then engine glow erupt and blow
And overflow like volcano
So far to go can't turn back though
Cheap tobacco cup of black Joe
Fuelin' my body jumstartin' my soul
Set my mind on cruise control
You got your Jesus on the dashboard
But the Devil's under my hood
You're takin' it down legal, I'm pullin' it up to no good
God is your copilot, I let Satan ride shotgun
You pay a toll to get to Heaven
But on the road to hell there's none
You got your Jesus on the dashboard
But the Devil's under my hood
You're takin' it down legal, I'm pullin' it up to no good
God is your copilot, I let Satan ride shotgun
You pay a toll to get to Heaven
But on the road to hell there's none
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
24-7 Truck Stop Plaza
Turn off headlights turn on hazards
3 A.M. is when I gazed
Eyes glazed I'm dazed and then I fade
To black now were back
'On The Road' like Kerouac
Down the turnpike high rate of speed
Up all night like Gilbert Gottfried
You got your Jesus on the dashboard
But the Devil's under my hood
You're takin' it down legal, I'm pullin' it up to no good
God is your copilot, I let Satan ride shotgun
You pay a toll to get to Heaven
But on the road to hell there's none
You got your Jesus on the dashboard
But the Devil's under my hood
You're takin' it down legal, I'm pullin' it up to no good
God is your copilot, I let Satan ride shotgun

You pay a toll to get to Heaven
But on the road to hell there's none
Get up you're asleep at the wheel
Get up you're asleep at the wheel
Get up you're asleep at the wheel
