First Time

Carly Rae Jepsen

You are the heartbreak
We'll make it feel like the first time
First timeCatching tears like raindrops here in the glass
Keep them safe in case you should ever ask
Or if you'd like, we don't need to talk about it
I don't care
I will wait right here by my windowsill
For the sun to come, if it ever will
Everyone says I can never get my fill but I don't careWe won't get too sentimental, not tonight
I could meet you in the middle, we won't fight'Cause when my heart breaks
It always feels like the first time, first time
But if you stay here
We could kiss away the goodbye, goodbye
Through the heartbreak
We'll make it feel like the first time, first time
And if you stay here
We could kiss away the goodbye, goodbyeLooking back, I followed you everywhere
We were kids just playing with truth and dare
Let's be honest, no one else can take me there
But I don't careWe won't get too sentimental, not tonight
I could meet you in the middle, we won't fight'Cause when my heart breaks
It always feels like the first time, first time
But if you stay here
We could kiss away the goodbye, goodbye
Through the heartbreak
We'll make it feel like the first time, first time
And if you stay here
We could kiss away the goodbye, goodbyeDon't you?
I hope that you want to
Make it up and start it over
Don't you?
I hope that you want to
Make it up and start it over
Feels like the first time'Cause when my heart breaks
It always feels like the first time, first time
But if you stay here
We could kiss away the goodbye, goodbye (yeah, yeah)
We'll make it feel like the first time (oh oh oh, feels like the first time)
And if you stay here

We could kiss away the goodbye, goodbye
