Exactly Like You

Denzal Sinclaire

I used to have a perfect sweetheart
Not a real one, just a dream
A wonderful vision of us as a team
Can you imagine how I feel now
Love is real now, it's ideal
You're just what I wanted
And now it's nice to live
Paradise to liveI know why I've waited
Know why I've been blue
Prayed each night for someone
Exactly like youWhy should we spend money
On a show or two
No one does those love scenes
Exactly like youYou make me feel so grand
I want to hand the world to you
I hope you'll understand
Each foolish little scheme I'm schemin'
And dream I'm dreamin'Now I know why mother
Taught me to be true
She meant me for someone
Exactly like you
