

You Needed Me

[RyanDan](#)

Even roses need their thorns
Every evening needs its dawn
Just as rivers reach the sea
In that moment, you reached for me And I never turned away
Best decision I ever made Chorus:
And I'll remember all my life
Maybe it was just one time
Can honestly say
That when it came to it I know at least
You needed me
You needed me Now it's the measure of a man
That took me time to understand
That it takes courage to walk that road
You're the strongest I've ever known Things may never be the same
But I'm still grateful, it turned out this way (Chorus) And until my final day
I will always feel the same (Chorus)
