

Me Myself I

Joan Armatrading

I sit here by myself
And you know I love it
You know I don't want someone
To come pay a visit I wanna be by myself
I came in this world alone
Me myself I wanna go to China
And to see Japan
I'd like to sail the oceans
Before the seas run dry I wanna go by myself
I've just room enough for one
Me myself I wanna be a big shot
And have ninety cars
I wanna have a boyfriend
And a girl for laughs But only on Saturdays
Six days to be alone
With just me myself I
Me myself and I
Just me myself I Don't wanna be the bad guy
Don't wanna make a soul cry It's not that I love myself
I just don't want company
Except me myself I
Me myself and I
Just me myself I sit here by myself
And you know I love it
You know I don't want someone
To come pay a visit I wanna be by myself
I came in this world alone
Me myself I
Me myself I, me myself and I
Just me myself I
