See You On the Other Side

BT

Voices, a thousand, thousand voices
Whispering, the time has passed for choices
Golden days are passing over, yeah
I can't seem to see you, baby, although my eyes are open wide
But I know I'll see you once more
When I see you, I'll see you on the other side
Yes, I'll see you, I'll see you on the other side
Leaving, I hate to see you cry
Grieving, I hate to say goodbye
Dust and ash forever, yeah
Though I know we must be parted as sure as stars are in the sky
I'm gonna see you when you comes to glory
And I'll see you, I'll see you on the other side
Yes, I'll see you, I'll see you on the other side
Never thought I'd feel like this
Strange to be alone, yeah, but we'll be together
Carved in stone, carved in stone, carved in stone
Hold me, hold me tight, I'm falling
Far away, distant voices calling
I'm so cold, I need you darling, yeah
I was down but now I'm flying straight across the great divide
I know you're crying but I'll stop you crying
When I see you, I see you on the other side
Yes, I'll see you, I'll see you on the other side
I'm gonna see you, I'll see you on the other side
God knows I'll see you, I'll see you on the other side, yeah
I'll see you, see you on the other side
Yeah, I'll see you, see you on the other side
I wanna see you, see you on the other side
I hope I see you, see you on the other side
Yeah, I came to see you, see you on the other side
I wanna see you, see you on the other side
I wanna see you, yeah, yeah, yeah, see you on the other side
Yeah, yeah, yeah, yeah, see you, see you on the other side
