Baby Loves Me

Eels

Record company hates me
The doctor says I'm sick
The bad girls think I'm just too nice
And the nice girls call me 'Dick'
But baby loves me
And she's smarter than you
My baby loves me
Unlikely but true
Policeman flashes the red lights
Coach says that I'm weak
Teacher says I'm not too bright
Bodybuilder calls me pipsqueak
But baby loves me
And she's smarter than you
My baby loves me
Unlikely but true
The neighbors don't like my flowers
The waiter don't like my tip
The librarian shushes me
Travel agent canceled my trip
But baby loves me
And she's smarter than you
My baby loves me

Unlikely but true
Minister says I'm a demon
Dietitian says I'm a pig
Warm hearted say I'm freezin'
Promoter won't give me the gig
But baby loves me
And she's smarter than you
My baby loves me
Unlikely but true
My tired body is breakin' down
The world is endin' soon
It's all crumblin' at my feet
Not sure what to do
But baby loves me
And that's a real good thing

My baby loves me
It's a beautiful thing
But baby loves me
And she's smarter than you
My baby loves me
Unlikely but true
Baby loves me
