

# 3's & 7's (B.S.O. Guitar Hero III)

## Queens of the Stone Age

Lie, lie to my face  
Tell me it ain't no thing  
That's what I wanna hear  
Take your lie to the grave  
That's what an old friend told me  
Look what it did for him The truth hurts so bad, wouldn't you say?  
So why tell it?  
If ignorance is bliss, then I'm in  
Heaven now Run, you'll never escape  
You see you'll go nowhere  
So new you appear Broke, laid to waste  
Turn into sweet no things  
Kiss you goodbye The truth hurts so bad, wouldn't you say?  
So why tell it?  
If ignorance is bliss, then I'm in  
Heaven now Keep going over and over again  
The never ending places I've never been  
No one's catching on  
Callin' my bluff  
The devil made me holier than I've ever been  
What you do, say it with a smile, boy  
Making us all forget  
What you do, say it with a smile, boy  
Making us all forget  
Making us all forget  
Making us all forget
