

I've Turned You To Stone (With Linda Ronstadt)

George Jones

I wish there was some way to tell you I'm sorry
That I didn't leave you a long time ago
But many mistakes are the part of my story
Heartache by heartache I've turned you to stone. Call me a traveler gonna catch me a train
I wanna see Frisco feel the sunshine again
If you want true love you can't stand alone
Life here together has turned you to stone. I've held you captive in a life without sunshine
I've watched the blue in your eyes fade away
All good is gone now no need to continue
Destroying each other oh day after day. Call me a traveler gonna catch me a train
I wanna see Frisco feel the sunshine again
If you want true love you can't stand alone
Life here together has turned you to stone.
