Sweet Tuesday Morning

Badfinger

Sweet Tuesday morning came on your smile
All of my fears, they have left me
Sweet Tuesday morning came on your smile
Love is the answer you gave meI've been to places all around, astound me
Seen the breaking of the souvenir
In a brightness I can feel, surround me
It's the first time I felt it for yearsSweet Tuesday morning came on your smile
Love is the answer you gave meI've been to places all around, astound me
Seen the breaking of the souvenir
In a brightness I can feel, surround me
It's the first time I felt it for years
