Trinity

Paper Tongues

Oh oh I
Ya got a way of living your way say I want that
I try to live my life for the people who need a comeback
There are too many problems to think that you can fix me
My name is called the world and I'm dying of unbelief see
I'm the kind of person who's strong and wants to react
So feel me when I fight for the cause of bringing hope back
Don't ask me where I'm going cause I could never prove that
But I do have something to say

[Chorus]
I am reaching from the depths of my soul
Hear me pleading I'm a child I'm the poor I am needing
To the drum you better believe it
Trinity don't say goodbye
And you know that time after time we will survive
That's why I'm still alive
Oh oh I
Oh oh I
Oh oh I
Oh oh I
Oh oh I

Love and action take the widow with her loss
True commitment takes the orphans pain because
Bridges broken their souls pourin' out oh why
Our days are numbered by and still we walk this line

[Chorus]

The words can't break your bones
So I release them in a song
Unbelief get out my head
You can't win cause I'm not dead
Prison stand aside cause it's time for us to rise
All my people under fire you can bet this time that I will survive

[Chorus: x2]
