Running Back

Tgt

Losing you, I never thought that I will get so lost
Now the house it's not home anymore
But I was flying 'now I'm crying about you every day
This is a price that I don't want to pay
So I'm running back to her
So I'm running back
I'm running back
Cuz I need your love
I'm running back
I'm running back
I want you back
Cuz I need your love
Girl I know your said you giving up
You said 'had ebough
You almost fall out of love
Girl I know I'm no good
But I'm lost with '
Where do I go from here, I know you said you've done
But I refuse to let you go
So I'm running back
I'm running back
I'm running back
I want you back
I'm running back to you
I'm running back to you
I'm running back
Cuz I need your love
Maybe I cry for you tonight ooh, yeah
No excuse to everything I did
I can't lie with everything I did baby
I messed it up with you, now all that I can do
It's pay forgiveness baby
I'm running after you, baby I need you more
Baby I need you more
Baby I need you more
Say, I'm o it back to you, to you
Say, I'm o it back to you, to you
Ooh
Baby come back

Baby come back
I need your love
I'm running back to you
I'm running back to you
I'm running back
Cuz I need your love
I want her back
I want her back
I want her back
But I'm up in the air
But I'm up in the air
