Timeless Oceans

Luca Turilli

[music & lyrics: Luca Turilli]
Cold darkness reigns on all
it reigns in Arkan's soul
wounded love...destined soon to fall
She stays in front of him
caressed by howling wind
enemy... victim of the unknown
BUT FROM HER EYES SO DARK AND SHY LOVES RIDES...
FLIES SO HIGH BEYOND THE STARS
NOT ASKING WHAT OR WHY
ALL HAPPENED FROM HER SAD COMING
IT JUST GOES ON FLYING HIGH
TO THE WAVES OF TIMELESS OCEANS
He needs no words at all
but she wants him to know
really what... her tortured mind still hides
The truth is even worse
a present with no hope,
soon to end... so hard to accept
BUT FROM HER EYES SO DARK AND SHY LOVES RIDES...
FLIES SO HIGH BEYOND THE STARS
NOT ASKING WHAT OR WHY
ALL HAPPENED FROM HER SAD COMING
IT JUST GOES ON FLYING HIGH
TO THE WAVES OF TIMELESS OCEANS
