Sisqo
Dru hill
This is the foundation
The foundation that made me
These are my niggas
I guess this is one way to make the world safe
See this thing
This thing is inseparable
We 'bout to do somethin' now
We about to make history
Haters can't stop this
Do you got love for my fans?
[Incomprehensible]But I guess you know now
I hope you know now
It is the dru world order
The dru world order has begun
