

# Jojo

## Pascal Fossard Quintet

Look out behind you  
Jojo's got his gun  
He wouldn't mean to  
You know he likes his fun  
Jojo dig those spinning lights  
Way out games and dizzy heights below him  
Jojo dig those Broadway nights  
Flashy lines, you know him  
(You know him)  
He got you covered  
And you'll know it right our front  
Hey, fifty dollars  
He'll get you all you want  
Jojo dig those spinning lights  
Way out games and dizzy heights below him  
And it's all below him  
Jojo dig those Broadway nights  
Flashy lines, you know him  
Ever so rarely that man in a million's born  
Gentle and soft, but who'd just as soon off you  
For looking the wrong way as not  
(Jojo)  
Go Jo  
His baby stays high  
Got to keep her sweet  
He keep her just right  
Keeps her on the street  
Jojo dig those spinning lights  
Way out games and dizzy heights, oh, below him  
Jojo dig those Broadway nights  
Flashy lines oh, you know him  
Do you know you are so nice  
Do you care  
I'd love to take you home  
Jojo dig those spinning lights  
Way out games and dizzy heights below him  
Jojo dig those broadway nights  
Flashy lines, you know him.  
Say, what do you think of gentlemen wearing mink

Gentle and soft but who'd just as soon off you  
For looking the wrong way as not  
(Jojo)  
Go Jo  
So you can't hang you  
Jojo guide them  
Though he would'nt need to  
He'd be love to, ahh  
Jojo dig those spinning lights  
Way out games and dizzy heights below him  
Man is worth loving  
Jojo dig those Broadway nights  
Flashy lines, you know him  
(Yeah)  
Yeah yeah  
Jojo, our love can grow  
Jojo, now, now, now
