

# Stay With Me

[Rod Stewart](#)

Stay with me baby, yeah In the morning don't say you love me  
'Cause you know I'll only kick you out the door  
And I know her name is Rita, but her perfume smells sweeter  
Since last I saw you down on the floor Stay with me, stay with me  
'Cause tonight you're gonna stay with me  
Stay with me, stay with me  
'Cause tonight you're gonna stay with me Don't mean to sound degrading, can't feel a lot persuading  
Face like that you got nothing to laugh about  
Red lips, hair and fingernails, I know you think I'm a Jezebel  
Come on up and read my tarot cards Stay with me, stay with me  
'Cause tonight you're gonna stay with me  
Stay with me, stay with me  
'Cause tonight you're gonna stay with me So in the morning don't say you love me  
'Cause you know I'll only kick you out the door  
I know your name is Teena, I know your name is Kim  
But tonight I'm gonna stay alone Stay with me, stay with me  
'Cause tonight you're gonna stay with me  
Stay with me, stay with me  
'Cause tonight you're gonna stay with me Stay with me, stay with me, stay with me  
Stay with me, stay with me, stay with me, stay with me  
Stay with me, gonna stay with you
