

I'll Survive

B.B. King

You say you're leaving, you've shattered my dreams
All of our plans dear, forgotten it seems
Yes, it had to happen, I'm not surprised
But I'll, I'll survive Your friends have shown you a much better way
All of my loving you baby, all of those years ended today
Yes, you go on darlin', I'll dry my eyes
But I'll, I'll survive Go on, may God bless you
It was fun while it was fun
Baby, I hate to lose you
I said, I hate to lose you baby
It's all over! What's done is done Hey, you go on darlin'
Seek your fortune and fame
All your good luck or bad luck
Your friends must take the blame
Oh, I can't beg you no more baby
I've got too much pride
But I'll, I'll survive Oh, go on, may God bless you
Oh, it was fun while it was fun
Oh baby, I hate to lose you
I said, I hate to lose you baby
It's all over! What's done is done Hey, you go on baby
Seek your fortune and fame
All your good luck or bad luck
Friends must take the blame
Oh, I can't beg you no more baby
I've got too much pride But I'll, I'll survive
Oh I'll, I'll survive
Baby, I'll survive
