

# Hook line and sinker

## Refused

The bait, the prey, the mice  
Debate, the method of demise  
Debate, your high  
I'll lie beside you, walk you down and lay the beat beneath your bed  
Beneath, the dead  
Debate, the method in your head  
Chemical misanthropy saving you from blame I'll stand below you, lift you up, increase the pain  
I'll stand below you, lift you up, increase the pain I wanna see you, hear your voice regret the choice.  
Rejoice in watching you collapse  
Destroy the map, falling headlong into the gap Swallow poison  
Swallow the bait Swallow poison  
Swallow every word  
Said to free you from blame  
I'll stand below you, lift you up, increase the pain  
I'll stand below you, lift you up, increase the pain I wanna see you, hear your voice regret the choice.  
Rejoice in watching you collapse  
Destroy the map, falling headlong into the gap The hunter dying in his trap  
The hunter dying in his trap  
The hunter dying in his trap  
The hunter  
Dead Swallow poison  
Swallow the bait Swallow poison  
Swallow every word Hook  
Line  
And  
Sinker
