

Play My Music

Camp Rock

Music
A-turn on that radio
As loud as it can go
Wanna dance until my feet cant feel the ground Say goodbye to all my fears
One good song, they disappear
And nothing in the world can bring me down Hand clapping, hip shaking, heartbreaking, theres no faking
What you feel when you it ride it home, yeah Musics in my soul
I can hear it every day and every night
Its the one thing on my mind Musics got control
And Im never letting go, no, no
I just wanna play my music Music
Got my six string on my back
Dont need anything but that
Everything I want is here with me So forget that fancy car
I dont need to go that far
And whats driving me is following my dreams, yeah Hand clapping, Earth shaking, heartbreaking, theres no
faking
What you feel when youre on a roll, yeah, yeah Musics in my soul
I can hear it every day and every night
Its the one thing on my mind Musics got control
And Im never letting go, no, no
I just wanna play my music
I just wanna play my music Cant imagine what itd be like
Without the sound of all my heroes singing all my favorite songs
So I can sing along Musics in my soul
I can hear it every day and every night
Its the one thing on my mind Musics got control
And Im never letting go, no, no
I just wanna play my music Musics in my soul
I can hear it every day and every night
Its the one thing on my mind Musics got control
And Im never letting go, no, no
I just wanna play my music
All night long
Yeah
