

White Line Fever (Album Version)

Airbourne

Truck stop of the border
Deep down in Mexico
Runnin' back to California
With a fresh-cut, heavy load White line fever
It's summer time again
White line fever
It's business time again Flying in to New York City
Bringin' the kingpin peace of mind
That all his pawns west of liberty
Will be well fed this June, July White line fever
It's summer time again
White line fever
It's business time again From Colombia
Up through Mexico
To Atlanta
All up and down the east coast
From Juarez over to LA
Houston, Miami, we got it made White line fever
It's summer time again
White line fever
It's business time again White line fever
White line fever
White line straight down my vein
White line drivin' me insane
White line fever
Give it to me straight
White line fever
Hit me again
White line fever
I can't get enough
White line fever
I love that stuff
