

Till I'm Gone

Tinie Tempah

[Wiz Khalifa - Chorus]

I grew tired of the same, then one night

Packed my things, told the one I love

I'll be back one day

Through the fight, through the pain

Booked a flight, took a plane

Told her not to cry

I'll be back one day Uh, Been dreaming this since I was young

So baby girl I'll be going til I'm gone, gone

Til I'm gone, gone

Til I'm gone, gone [Tinie Tempah - verse 1]

I buy time in Switzerland

I drive round in Monaco

I shook hands with Royalty

I make songs that monarchs know

Ti Ti Ti La So Fa

Mi Mi Mi, MI Re Do

Call me Aloe Blacc cause I Need That Dollar yo

ha ha

Hic-hic-hiccup

Blame it on the liquor

I came through like a stick up

Now I'm ballin' like a kick up

I be cutting off these bitches like an episode of Nip Tuck

And yes I am the best man, I'm so sorry bout the mix up Come out and play, pour out another bottle

Lets do it all today and worry bout it all tomorrow

I do it for the thrill

You know I love the rush

And once you get me going I can never get enough [Wiz Khalifa - Chorus]

I grew tired of the same, then one night

Packed my things, told the one I love

I'll be back one day

Through the fight, through the pain

Booked a flight, took a plane

Told her not to cry

I'll be back one day Uh, Been dreaming this since I was young

So baby girl I'll be going til I'm gone, gone

Til I'm gone, gone

Til I'm gone

But I wont be gone for too long[Tinie Tempah - verse 2]
 In Amsterdam, haha, Ammerland
 Just came from Aussie tour
 You've never seen this Singapore
 I'm the one like 2 plus 3
 M-M-M-Minus four
 Fe-fe-fe-fi-fo-fum
 Everytime I can stalk
 Yeh, yeh, I'm honest I landed in a rocket
 With a crown inside my watch and silver B sign on my bonnet
 You don't need a thermometer to tell you who's the hottest
 Ip dip do muthaf-cker you are not itCome out and play, pour out another bottle
 Lets do it all today and worry bout it all tomorrow
 I do it for the thrill
 You know I love the rush
 And once you get me going I can never get enough[Wiz Khalifa - Chorus]
 I grew tired of the same, then one night
 Packed my things, told the one I love
 I'll be back one day
 Through the fight, through the pain
 Booked a flight, took a plane
 Told her not to cry
 I'll be back one dayUh, Been dreaming this since I was young
 So baby girl I'll be going til I'm gone, gone
 Til I'm gone, gone
 Til I'm gone, gone
 baby girl I'll be going til I'm gone, gone
 Til I'm gone, gone
 Til I'm gone
 But I wont be gone for too long[Tinie Tempah - Bridge]
 Ok I'm in it, I'm in it to the finish
 I keep them bottles coming like my card aint got no limit
 Got some friends that playing football
 And some friends that playing cricket
 And a mistress that is fine like a f-cking parking ticket
 Haha
 I said I'm in it, I'm in it til the finish
 I keep them bottles coming til there aint nothing in it
 I'm like Mario on mushrooms
 I'm like Popeye on some spinach
 We gon keep it coming till I no speaka no english
 Ahh[Wiz Khalifa - Chorus]
 I grew tired of the same, then one night
 Packed my things, told the one I love
 I'll be back one day

Through the fight, through the pain
Booked a flight, took a plane
Told her not to cry
I'll be back one day Uh, Been dreaming this since I was young
So baby girl I'll be going til I'm gone, gone
Til I'm gone, gone
Til I'm gone
But I wont be gone for too long
But I wont be gone for too long
But I wont be gone for too long
