

# First

## Lov'it

If someone should ask you then say

That he fell away

From what he wanted at first

From what he wanted at first

From what he wanted

If someone should ask you then say

That they fell away

From what they wanted at first

From what they wanted at first

From what they wanted

As he fell away, as she fell away

As he fell away, as she fell away

As he fell away, as she fell away

He won't come out and play music anymore

If someone should ask you then say

That she fell away

From what she wanted at first

From what she wanted at first

From what she wanted

If someone should ask you then say

That they fell away

From what they wanted at first

From what they wanted at first

From what they wanted

As he fell away, as she fell away

As he fell away, as she fell away

As he fell away, as she fell away

As he fell away, as she fell away

As he fell away

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, I tried I couldn't kick it

If someone should ask you then say

He sleeps all day

That he feels he's gone, son  
And always will be betrayed

Betrayed

Betrayed

Betrayed

Betrayed

As he fell away, as she fell away

As he fell away, as she fell away

As he fell away, as she fell away

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no

Try, tried I couldn't kick

As she

As she

As she
