What it is, what it ain't  
Y'all already know what it is  
El mariel album  
If you don't know about this shit  
Then you don't know about a goddamn thing  
Cause this is history right here, baby boy  
This is 1980 my friend  
El mariel, real deal  
Mi no siento ochenta  
And if you don't know about this shit, my nigga  
My nigga, if you in school, drop out of school  
Or wherever the fuck you is
