One Second (live in London)

Paradise Lost

And for one second
I lost my head and for one second,
I wished that you were dead
For one second,
You wish that you were here all aloneHold back the tears that could fall for meAnd for one second,
I lost my breath
And for one second,
I cherish what you said
And for one second it seemed
That I was here all alone.Hold back the tears that could fall for me.
