# Good Hearted Woman

## Hank Williams III

A long time forgotten
Are dreams that just felt by the way
And the good life he promised
Ain't what she's living todayBut she never complains of
The bad times or bad things he's done, Lord
She's just talks about the good times
They've had and all the good times to comeShe's a good hearted woman
In love with a good timin' man
And she loves him in spite of his ways
That she don't understandThrough teardrops and laughter
They'll pass through this world, hand in hand
She's just a good hearted woman
In love with her good timin' manHe likes the night life
The bright lights and his good timin' friends
When the party's all over
She welcome him back home againBut she never complains of
The bad times or bad things he's done
Lord she's just talks about the good times
They've had and all the good times to comeShe's a good hearted woman
In love with a good timin' man
And she loves him in spite of his ways
That she don't understandThrough teardrops and laughter
They'll pass through this world hand in hand
She's just a good hearted woman
In love with her good timin' manShe's a good hearted woman
In love with a good timin' man
And she loves him in spite of his ways
That she don't understandThrough teardrops and laughter
They'll pass through this world hand in hand
She's just a good hearted woman
In love with her good timin' manShe's a good hearted woman
In love with a good timin' man
And she loves him in spite of his ways
That she don't understandThrough teardrops and laughter
They'll pass through this world hand in hand
She's just a good hearted woman
In love with her good timin' manShe's just a good hearted woman
In love with her good timin' man
